

Gazpromneft Standard 20W-50

Бензинови и дизелови двигатели

Висококачествени минерални базови масла

Всесезонно използване

Двигателно масло

Оптимално налягане в смазочната система

Description

Gazpromneft Standard 20W-50 is an all-season universal oil designed for use in carburetor petrol and turbocharged engines of extended-range passenger vehicles operating in a variety of operating conditions. Gazpromneft Standard 20W-50 oil maintains the required pressure in the lubrication system of extended-range engines. The additional introduction of anti-wear and detergent additives provides additional protection of the used engine from wear and deposits.

Advantages

- The durable oil film ensures the long-term operation of extended-mile engines.
- Maintains pressure in the lubrication system of extended-mile engines.
- Compatibility with gasket materials reduces the likelihood of leaks.
- Provides protection against wear and corrosion of engines with extended mileage in compliance with the recommended replacement interval.

Application

- Cars, vans and minibuses with extended mileage engines.
- Designed for carburetor gasoline engines and diesel engines without turbocharge where API SF/CC or lower is required.

Physico-chemical characteristics

Indicator	Method	Gazpromneft Standard 20W-50
Kinematic Viscosity at 100 °C, mm ² /s at 40 °C, mm ² /s	ASTM D 445 ASTM D 445	18.4 169.2
Viscosity Index	ASTM D 2270	121
Flash Point (COC), °C	ASTM D 92	246
Pour Point, °C	ASTM D 97	-28
Total Base Number, mg KOH/g	ГОСТ 11362	6.0
Sulfated Ash, wt%	ASTM D 874	0.8
Density at 20 °C, kg/m ³	ASTM D 4052	885

Specifications

- SAE 20W-50
- API SF/CC
- ПАО «АВТОВАЗ»
